CERTIFICATION OF TREATING HEALTH CARE PROVIDER FOR EXPEDITED CONSIDERATION OF A PATIENT'S INDEPENDENT REVIEW
(To Be Completed by Treating Physician)

NOTE TO THE TREATING HEALTH CARE PROVIDER:
Patients can request an independent review when a carrier has denied a health care service or course of treatment on the basis of a utilization review determination that the requested health care service or course of treatment does not meet the carrier's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested. The Utah Insurance Department oversees requests for an independent review. The standard independent review process can take up to 45 days from the date the patient's request for independent review is received by our department. Expedited independent review is available only if the patient's treating health care provider certifies that adherence to the time frame for the standard independent review would seriously jeopardize the life or health of the insured or would jeopardize the insured's ability to regain maximum function. An expedited independent review must be completed within 72 hours. This form is for the purpose of providing the certification necessary to trigger expedited review.

PHYSICIAN CERTIFICATION FOR
EXPERIMENTAL/INVESTIGATIONAL DENIALS
(To Be Completed by Treating Physician)

I hereby certify that I am the treating physician for _____ and that I have requested the authorization for a drug, device, procedure or therapy denied for coverage due to the carrier's determination that the proposed therapy is experimental and/or investigational. I understand that in order for the insured to obtain the right to an independent review of this denial, as treating physician I must certify that the insured's medical condition meets certain requirements:

In my medical opinion as the insured's treating physician, I hereby certify to the following: (Check **all** that apply)

(1) The insured has a condition that qualifies under one or more of the following:

_____ (a) standard health care services or treatments have not been effective in improving the insured's condition;

_____ (b) standard health care services or treatments are not medically appropriate for the insured; or

_____ (c) there is no available standard health care service or treatment covered by the insurer that is more beneficial than the requested or recommended health care service or treatment.

_____ (2) The health care service or treatment I have recommended and which has been denied, in my medical opinion, is likely to be more beneficial to the insured than any available standard health care services or treatments.

_____ (3) The health care service or treatment recommended would be significantly less effective if not promptly initiated.
Explain:_____

_____ (4) It is my medical opinion based on scientifically valid studies using accepted protocols that the health care service or treatment requested by the insured and which has been denied is likely to be more beneficial to the insured than any available standard health care services or treatments.
Explain:_____

Provide a description of the recommended or requested health care service or treatment that is the subject of the denial. (Attach additional sheets as necessary)
